

OPEN HOUSE

June 27th 2009

Several hundred people attended our Open House this year. An overwhelming majority gave us a thumbs-up.

Many activities helped to make it a success. The old west shooters provided shooting from “Old Paint” on the 100 yd range. Pistol league shooters and other members had guests shooting on the pistol range. There were military rifles to shoot. The trap field was open and Curt Hanke had shooters reload shells, then go and shoot with them. White Bear HS archery team members gave demonstrations and lessons. John Boet brought part of his antique gun collection.

Always a crowd pleaser are the refreshments. Hot dogs, hamburgers, chips and soft drinks. The best part of the refreshments—FREE. Thanks to Julie Lay, Sondra Nelson, Phyllis Salchow and Maureen Morse for taking care of the refreshments.

Many thanks to all of the members. We’re hoping to see more BESA members and their families next year.
